The transit of Saturn into the zodiac sign from the house in which planet Moon is located at the time of your birth is known as Saade Saati of Saturn. The Saade Saati of Saturn has three phases: The transit of Saturn into twelfth house from Zodiac sign of birth is called the first phase. The transit into the birth sign is the second phase. The transit into the second sign from the birth sign is the third phase. As Saturn remains for two and half year in each phase that is why it is called Saade Saati. The seven and half years are never always unlucky only. The favourableness and unfavourableness of Saturn depends upon its relations(friendly/enemy/neutral)withthe ruler of that particular house and according to the ownership of Saturn in the house of birth sign.

### Saturn - Date wise Table of Sadesati

Third Phase 21/03/1990 - 06/03/1993

#### Second Cycle

First Phase 03/11/2014 - 27/01/2017

Second Phase 27/01/2017 - 25/01/2020

Third Phase 25/01/2020 - 30/04/2022

#### Third Cycle

First Phase 12/12/2043 - 08/12/2046

Second Phase 08/12/2046 - 07/03/2049

Third Phase 07/03/2049 - 25/02/2052

Your first phase of Saade Saati begins with the transit of Saturn into the Scorpio sign. In the first phase, Saturn is positioned in the Scorpio sign of its enemy planet Mars. Here Saturn is positioned in the twelfth house, while ruling the second and third house. In this situation, You

receive all vile /undesired results. You face mental and physical problems. In this situation, all the possibilities of success seem to be going adverse, so you should be very careful about any kind of injury, because during this period, there are great possibilities of meeting road accidents or being hurt by falling down. Cruelty, sense of irritation and anger makes themselves a part of your nature. With the development of tension in the house, the environment in the family becomes more tense and unhealthy. During this period, if you are undergoing some education, then your attitude and activities towards studies need a vigilant observation, because there are possibilities of hurdles in studies. You may develop relations with undesired or unwanted people which may create troubles for you as well as in the family. In such a situation, the financial position turns worse and the accumulated money begins reducing. You develop a feeling of change in your field of job or line of business, but this change is not favourable to you. Sometimes you may either have to change your place of residence or there may arise circumstances of going abroad and you succeed in earning money there. In such a situation, you become an atheist and sinner. There is loss of interest in the religion and you fail to differentiate between virtue and sin, fame and defamation and between your good and wicked activities etc. You also develop relations with the low birth people and indulge into the habit of gambling and intoxication etc, which results in the possibility of quarrels/disputes and your differences with near relatives and younger brother. But you, yourself are the main reason for creating such type of situation. You should remain alert from your friends circle who may deceive you. Further, you may spoil your relations with your father and the mother also suffers. You may have to face some wrath from the government. This situation remains for two and a half years (One Dhaiya).

With the transit of Saturn into the Sagittarius sign, the second phase of Saade Saati begins for you. In this phase, Saturn remains in the Sagittarius sign of its allied Planet Jupiter, and takes position in Lagna while ruling the second and the third house. The position of Saturn in Lagna creates sickness and different types of problems. You feel sad at heart and suffer from diseases. There is access of laziness and the financial position remains unchanged. As you have already suffered for the past two and a half years (One Dhaiya), you look at your future as if in dark and there is not any ray of hope during the running period also. You do not find

any interest in any type of work and there is environment of feud in the family. You incline towards earning money by each and every means and this desire keeps on getting stronger, but you do not succeed and only your field of work gives you success. Even if you get some job during this period, you cannot get promoted and there are chances of getting transferred also. Your intelligence turns defiled and you do not find interest in good deeds. You also turn to be licentious and the body begins getting lean and weaker due to ailment.

With the transit of Saturn into the Capricorn sign, the third and the last phase of Saade Saati begins for you. In the third phase, Saturn remains in its own Capricorn sign, while ruling the second and third house. In this situation, Saturn reduces its unfavourableness due to its location in its own sign. In such a situation, you can be benefited by your brothers. Your behaviour with your near relatives and neighbours is cordial and you are comparatively more kind, hospitable, well wisher of others, virtuous and religious. You earn fame and prosperity, but even after all this, there is no improvement in your financial position. The accumulated money should be kept carefully, otherwise it will also be exhausted. An atmosphere of rivalry develops and peace in the house lasts no longer. The delight from mother side also lessens and problems begins in day to day life. But after a span of time, You feel some relaxation and start succeeding in earning money. During this period business like sports, electrical goods, iron, coal, dying, printing and medicines can successfully be performed. If DASHA is positive and favourable, there is a possibility of a successful foreign trip also, if proper efforts are made in this regard. You may also own a vehicle. There is possibility of joints pain and if it is a student life, obstacles may occur in studies, but you are confident of your hard work. In such a situation, you may be deprived of your parental property. In addition to all these features, you enjoy staying away from home. The journey towards western direction is beneficial to you.

The complete period of Saturn's Saade Saati does not remain same. Its favourableness and unfavourableness depends upon the star under which Saturn is moving. The remedies for reducing the sinner effects of Saade Saati are based on Mantra, devotion, worship and donations. A thorough analysis of the horoscope is required in this regard, for the knowledge

of remedies for reducing the harm. For the DOSH SHANTI, the following remedies may be adopted for lessening the sinner effects of Saade Saati. There are great possibilities of benefit, if these remedies are adopted prior to beginning of the Saade Saati :-

1. Lord Saturn should be worshipped and oil may be offered in temple on every Saturday.
2. In the evening, the following mantra of Saturn should be muttered for 108 times : "OM Sah Shanishcharai Namah" or "OM Sham Shanishchrai Namah".
3. Keep a fast for atleast 40 Saturdays. This fast should be started in the brighter half of the lunar month.
4. A mustard oil lamp should be lighted under a peepal tree.
5. Iron, black collyrium(kala surma), mustard oil, leather shoes, black cloth, liquor, black urd dal etc. should be donated on Saturday.
6. A ring made up of black horse shoe or nail of the boat or blue sapphire should be worn.
7. Serve the people of low birth or give donations to them.
8. Liquor or meat should not be consumed on Saturday.
9. The black collyrium (kala surma), should be put under earth, on Saturday.
10. The Almonds and coconut should be caused to flow in the river or running water, on Saturday.
11. Do not drink milk on Saturday night.

Though these remedies have been described, yet they should not be adopted by self. An able and learned astrologer should be consulted prior to applying these remedies. If these remedies are adopted properly and well in time, then the results of Saade Saati are not so sinner and adverse in effect, as they are told to be.

The position of Mars in the 7th house of your horoscope shows that you are a manglik. With the influence of Mars, there may be some delay in your marriage. Once or twice, the talk regarding your marriage may also be unsuccessful, but your marriage ceremony will take place in a pleasant atmosphere. Your married life will also be happy and cheerful. You may sometimes have differences with your spouse.

The position of Mars shows that your spouse may have an aggressive nature, but this will not affect your married life much. Your spouse will have a good health. The aspect of Mars on the 10th house of your horoscope shows you will earn money only through hard work and gain wealth, fame, respect and prosperity in life. With the aspect of Mars on the 1st house of your horoscope, you will be laborious and may sometimes feel yourself in tension. You will always try to fulfil your desires in life. The aspect of Mars on the 2nd house of your horoscope indicates that you will remain worried regarding family matters.

To make your married life happy, you should marry only a manglik person. This will cancel your manglik effects. For this, Saturn or Rahu should be situated in any one house among the 1st, 4th, 7th, 8th, and 12th house in the horoscope of the person whom you marry. If you start your married life like this, then it will be peaceful and happy.

There are various kinds of Yogas in a horoscope and all these yogas give rise to different kinds of results. There are both auspicious & inauspicious yogas in a horoscope. The auspicious ones produce good results whereas the inauspicious ones produce bad results. Of the various inauspicious yogas, one of them is Kalsarpa Yog. In a horoscope, when all the planets are placed in-between Rahu & Ketu, then it is called a Kalsarpa Yog. We may not find a detailed description of this yoga in the ancient astrology literatures, but we definitely cannot ignore it as well.

Even renowned ancient astrologers like Maharishi Garg, Parashar, Bhrigu, Varha Mihir etc have acknowledged Kalsarpa Yog. The ancient people have given special importance to Kalsarpa Yog. They have regarded Rahu-Ketu as Karmic planets, Rahu as the dragon's head & Ketu as the dragon's tail. Nobody has spoken about the good results of this Yoga. Rahu & Ketu are both shadowy planets and have no physical bodies, yet they are such inauspicious that the formation of Kalsarpa Yog due to these planets is known to give out bad results.

Your horoscope is free from Kal Sarpa Yog.

## Dharmi Teva

Some horoscopes are considered as Dharmi horoscopes in Lal-Kitab. According to Lal-kitab, Rahu, Ketu & Saturn are considered as malefic planets. Mars is also included in this group if it is showing negative results. In the Dharmi horoscopes, the negative affect of malefic planets gets reduced to a good extent.

If Jupiter is conjoined with Saturn in any house or if Saturn is posited in 11th house then the horoscope is known to be Dharmi. The combination of Jupiter and Saturn is capable of averting many adversities. Their placement especially in 6th, 9th, 11th or 12th house gives astonishing results. Such horoscopes are blessed with divine blessings. A horoscope also becomes Dharmi if Rahu or Ketu is posited in 4th house. The combination of Moon with Rahu or Ketu in any house of a horoscope also makes it a Dharmi Teva.

In Dharmi horoscope the native gets divine help in the time of crises. Since Saturn is considered to be the planet of judgement, its nature becomes soft and sympathetic towards the native because of its association with the planet of luck- Jupiter. Similarly, Rahu and Ketu (dragon's head & tail) are supposed to produce obstacles in the path of native. But they don't harm the native if they are posited in the 4th house or conjoined with moon in any house.

## Result

Your Horoscope is Dharmi horoscope.

## Semi - Blind (Night Blind) horoscope

According to Lal-Kitab, planets in some horoscopes don't show good results even though they are well placed. Such horoscopes are not favourable for professional success, mental peace or harmonious family life. These horoscopes can be compared to a person who is suffering from night blindness.

A horoscope is called as Semi-blind if it has Saturn in 7th house and sun in 4th house. In such condition, Saturn aspects sun by 10th aspect. The aspect of Saturn on sun is not considered to

be auspicious moreover Saturn becomes powerful in 7th house thereby it spoils the result of 9th, 1st & 4th house, the houses of luck, health & comforts respectively.

Hence in such conditions, the remedies of Sun will be of no use. In such cases, to terminate the ill effects of Saturn, one must always follow the only the remedies of Saturn.

### Result

Your Horoscope is not night-blind horoscope.

### Blind horoscope

In a horoscope, 10th house plays a very important role as this house is linked with the status, profession and favours from the superiors. From the health point of view, it is associated with Bones, Back, Knee joint & Kneecap.

In general, it is connected with Profession, Source of Livelihood, Business affairs, Profession, Position in life, Status, Political power & dominance. The diseases related to this house are Leprosy and Leucoderma.

If 10th house has inimical planets posited there or there is no planet at all in the 10th house, then the horoscope is called as a Blind horoscope even though the natural lord of 10th house Saturn, is well placed or exalted in the horoscope. For e.g. Moon & Ketu, Saturn & Sun, Sun & Rahu etc are inimical to each other. Their placement in the 10th house will spoil the beneficial results of the other planets.

### Result

Your Horoscope is blind horoscope.

### Minor

According to Lal-Kitab, in certain conditions some horoscopes are considered as minor till 12

years of age. The fate of such horoscopes is unpredictable till 12 years. Such horoscopes carry the effect of the karmas of their previous birth. The effect of the planets in these horoscopes can be compared with the results achieved by a minor, as a minor is dependent on adults in the family & cannot achieve much on its own. Similarly the planets in Minor horoscopes cannot show their full potential even though they are well placed.

A horoscope is said to be a Minor one if 1st, 4th, 7th and 10th houses do not have any planet or only Saturn, Rahu or Ketu are placed there or there is only mercury placed in above mentioned houses.

According to Lal-Kitab, the native of a minor horoscope experiences the effects of each planet, every year, till 12 years of age as per the given table below. For e.g. in the 1st year, planets posited in the 7th house influence the native. In the 2nd year, planets in the 4th house play a major role on the destiny and so on. Hence, in order to counter the bad effects of these planets every year, natives must follow the remedies of the planets, which effect their life till 12 years of age.

### Result

Your Horoscope is not Minor horoscope.
